### MARRIAGE TIP OF THE MONTH

The statement, “Families that pray together stay together”, is not just a cliché, but also a fact that has research data to prove its impact. To those of us with faith, it makes sense, but we sometimes neglect to undertake what we know will be helpful to us. So take the time to pray as a couple: first thing in the morning, before meals, before going to bed, at Mass and/or any other time you can. It is an easy way to connect and strengthen your relationship.
