SPOUSES' CORNER

Angry words, spoken in the heat of the moment, can be emotionally scarring. When anger surfaces, the old adage “count to ten before you speak” is a good one to remember—it provides a buffer to calm the emotions. Anger is a normal emotion, but how and when it is expressed can result in a positive or negative relationship moment. Take a few seconds and ask yourself how you might best express your anger without leaving lasting marks on your love relationship.

Women's Discernment Weekend

A discernment weekend in Quebec at the monastery of *Abbey of Sainte-Marie des Deux-Montagnes* on **November 15-17**. The purpose of the weekend will be to expose young women to an experience of contemplative life and to take some time away with God to discern His will. We will join the sisters for the sung hours of prayer (in Gregorian chant). We will have some teachings on contemplative prayer, silence and discerning God's will. There will be daily Mass and Confession available, with the possibility of spiritual direction. There is limited space available (everyone will receive their own private room), so we will take registrations on a first-come first-served basis. The cost is \$150 for the weekend. We will coordinate rides together. We will drive down Friday morning and return Sunday night. We hope to make a stop in Ottawa to visit the Queenship of Mary sisters. If you have any questions regarding the layout of this weekend or want to arrange the travel details, please contact the organizer Mary-Kate Long at marykatelong210@gmail.com. You can also contact the Abbey directly if needed at info@abbayesaintemarie.ca. [REGISTER](#)
